**How you can help Homeless Pets TODAY**

1. Purchase Stamps - The USPS Rescue Stamps bring awareness to the plight of Homeless Pets
2. Go to USPS partner Halo at [www.halopets.com/stamps](http://www.halopets.com/stamps). Sign up for newsletter, twitter and more and Halo will donate up to a million meals to shelter pets. Also see <http://stampstotherescue.com/>
3. Help "For Paws Hospice's" local Food Bank program "All Pets Kitchen". Distributed to The Pinellas County Coalition for the Homeless to supply pet food to homeless people for their pets. Help in two ways:
  - a. Bring Pet Food to donate at event. Prefer dry "kibble" food.
  - b. Purchase Pet Food at local independent "Natural Pet" in Dunedin (CR1/580) the week prior to the day of the event and 10% of all purchases will go to All Pet's Kitchen
4. Adopt a dog from Dunedin Doggie Rescue at the Post Office, so they can save more shelter dogs.
