- Transportation for veterinary appointments

For additional information or to volunteer contact Nancy Weikle, 727 781-1345 or email ForPawsHospice@hotmail.com subject: Volunteer

## Local animal hospice announces **Bosco's List**

For Paws Hospice a local non-profit 501 c3 has launched a county wide data base of new and used prosthetic devices to be made available to families with disabled pets. A recent call for help from a local family that needed a set of

Bosco shows off his new "used" wheels

wheels for their 20 year old disabled dachshund Bosco drew such an overwhelming response that the dog received a donated set of used wheels in just three

days. Knowing that there must be many more handicap

aides lying unused in peoples' closets Hospice President Nancy Weikle began contacting local veterinarians and rescue groups to assist in compiling a list of

available devices in the community. Devices will remain with the donor and as requests for help are received volunteers will match the list to the need.

Donations to purchase new equipment will be held in a fund to purchase a new or custom appliance on an as needed basis. All donations are tax deductible.

If you have a used cart, brace or artificial limb or other prosthesis that might help a disabled pet and wish to add it to Bosco's List please contact For Paws Hospice at 727 639-9285 or 727 781-1345, email: [ForPawsHospice@hotmail.com](mailto:ForPawsHospice@hotmail.com).
